

Occupational Information Network

<http://online.onetcenter.org/find/>

O*NET expands upon information in the Occupational Outlook Handbook (link to <http://www.bls.gov/oco/>) (OOH) and covers broader employment areas than those listed in the OOH. O*NET-SOC codes come from articles in the OOH.

O*NET Summary Reports provide an accurate description of typical work in a variety of occupations and careers. Read the overviews to confirm your interest and personality “match” with a specific career. Each report contains the following sections:

- **Tasks**
- **Knowledge**
- **Skills**
- **Abilities**
- **Work Activities**
- **Work Context**
- **Job Zone**
- **Interests**
- **Work Styles**
- **Work Values**
- **Related Occupations**
- **Wages & Employment.**
