# EXSS 129: Principles of Sport Management

Fall 2013Library Instruction Session

Historical Origins of the sport

Strategy: Read books & encyclopedias for background

1. *Browse the Reference and circulating collections by Dewey Decimal Number:*

070	Journalism/Media and Sports
306	Sports & Culture
344	Sports & Law
613	Sports & Nutrition/Exercise
615	Drugs & Sports
617	Sports Medicine
790	Sports History
796	Individual Sports, e.g. tennis, golf, boxing, motor sports
927	Sports Biographies

R 001-999	1st-floor
001-199	3rd-Floor
200-299	3rd-floor, Religion Room
300-499	2nd-floor
500-999	3rd-floor

2. *Do a Keyword search in the Library Catalog and narrow to the results to the "Reference" collection or by choosing a specific "topic" ("topics" can be typed into the search box as a "subject" search)*

3. *Here are some "subject" words* to try in the Library Catalog*

|		
Track and field athletes	Social conditions	History
Track and field for women	Social aspects	College sports
Track-athletes	Political aspects	Professional sports
Swimming	Psychological aspects	Discrimination in sports
Soccer	Religious aspects	
Boxing	Moral and ethical aspects	
Tennis		
Baseball		

Specific sources:

Search **the Library Catalog** to identify books, ebooks, videos

Gale Virtual Reference Library (ebook collection)

Sage eReference Encyclopedias (ebook collection)

Recommended scholarly journals

Journal title	Availability	Search to find articles
Journal of sport and social issues	1999 to present in fulltext 2001 to present in in print at Benner Library	Academic Search Premier
Journal of sport history	2012 to Present in print at Benner Library	Physical Education Index

How has the sport evolved?

Specific sources:

Academic Search Premier: a database which contains scholarly and popular articles (including, *Sports Illustrated*). Limit to "fulltext" and 2002-present

Physical Education Index: scholarly article database

Summon: searches all of Benner Library's databases at once. Use the format and other limits to narrow your results.
